

HALO Electronics Signs Representative RedTree Solutions in the Nordic Region

Santa Clara, California, April 8th 2016 – HALO Electronics, a leading manufacturer of communication and power magnetics, signs RedTree Solutions as their exclusive manufacturer representative in the Nordic Region, which includes Denmark, Finland, Norway, and Sweden.

“RedTree Solutions, with their technical expertise, customer-centric focus, and synergistic line card, is a valuable addition to HALO’s European representative network. We look forward to close collaboration and success with the Redtree team”, says Sharon Pickard HALO’s European Regional Manager.

RedTree Peter Rogers VP;

Peter Rogers, RedTree Vice President, says “RedTree Solutions is very excited to be working with HALO Electronics Inc. HALO’s exceptional product range provides a unique opportunity to expand business at existing accounts as well as addressing thriving start up companies in the Nordic region. We look forward to developing a productive and successful business partnership together.
